Dear Friends:

Thank you for your recent \$2,500.00 gift of on 12/16/2015 to the Food Bank of Contra Costa and Solano.

Your support helps seniors like Colleen, a retired Dental Nurse and widow. At age 71, she never thought she'd need help from the Food Bank. Like many seniors, Colleen is faced with rising medical expenses, which leaves very little to budget for groceries.

Colleen has needed new glasses for a couple of years, but can't afford them. She also describes how "the price of meds is going up so high." One of her prescription co-pays jumped from \$1.20 to \$20.00. "Yeah, I've had to make those choices and I have done without the medicine. It's very real."

Your selfless act of giving helps Colleen and other seniors living exclusively on social security. Because of you, they can receive nutritious supplemental groceries, which, according to Colleen, "makes it so much easier to live day-to-day."

Please keep this letter as a receipt of your financial gift and we acknowledge that no goods or services were exchanged for your support.

Thank you again for your support. You are truly making a difference to your community.

Sincerely,

A handwritten signature in blue ink that reads 'Larry Sly'.
